

FORKLIFT TRUCK REFRESHER

APL Training are the North West's premier training provider, situated between Manchester and Liverpool we are ideally placed to cater for all aspects of training. Above all else we recognise that there are three vital elements that impact on how candidates absorb course information.

Forklifts covered:

Counterbalance
Reach
PPT.

The training environment
The right trainers
The correct equipment

ONE DAY COURSE

It is recommended that every FLT operator be refreshed at least every 3 years to ensure continuous safe use of Fork Lift Trucks in line with current approved methods

Some of the topics covered are:

- ✓ Introduction to the Type of Truck
- ✓ Operators Safety Guide
- ✓ Health & Safety Legislation
- ✓ Related Theory
- ✓ Pre-Operational Checks
- ✓ Weight Assessment and Load Handling
- ✓ Practical Training and Assessment

Training delivered on your premises. A suitable training room and practical area and machine is required for training to be delivered.
