

DEMONSTRATOR COURSE

APL Training are the North West's premier training provider, situated between Manchester and Liverpool we are ideally placed to cater for all aspects of training. Above all else we recognise that there are three vital elements that impact on how candidates absorb course information.

The training environment
The right trainers
The correct equipment

The IPAF Demonstrator course is for any IPAF Operator who is required to handover and familiarise a machine to customers or work colleagues.

The course consists of classroom based tutorials, demonstrations, outside practical and test. All candidates wishing to attend this course must hold a current IPAF Operator licence
