

HARNESS

APL Training are the North West's premier training provider, situated between Manchester and Liverpool we are ideally placed to cater for all aspects of training. Above all else we recognise that there are three vital elements that impact on how candidates absorb course information.

The training environment
The right trainers
The correct equipment

The IPAF accredited course designed for any operator supervisor or manager required to select, inspect and use harnesses and lanyards for usage on MEWP's

- ✓ A greater understanding of the regulation and legislation relating to work at height
- ✓ How to select the correct work equipment and restraint systems to reduce risk and prevent falls from height
- ✓ How to carry out inspections of equipment to ensure they are safe and fit for purpose
- ✓ How to confidently select and don a harness
